For release – May 2006

**FOR IMMEDIATE RELEASE**

**Low-Cost Rabies Vaccinations and Dog Licensing Clinics Scheduled**

The San Bernardino County Animal Care & Control Program has scheduled low-cost rabies vaccinations and dog licensing clinics that will begin on May 11th. For the safety of you, your pet, and other visitors, please make sure that your dog is on a leash at all times during scheduled clinics. Also, no dogs in heat and no aggressive dogs please! Cats may also be vaccinated, but must be brought in a carrier to avoid problems.

***Rabies vaccinations will be given for \$6.00 and must be paid in cash. A dog license costs \$15.00 for an altered dog (\$9.00 for senior citizens) and \$60.00 for an unaltered dog. If you are interested in having your pet spayed/neutered to receive the reduced license fee and help stop pet overpopulation, please ask our staff at the clinics about our spay & neuter voucher program or visit our website at [www.sbcounty.gov/acc](http://www.sbcounty.gov/acc) . Licenses may be paid for with either cash or check.***

The following local rabies vaccination and dog licensing clinics have been scheduled and are co-sponsored by San Bernardino County Animal Care & Control and the Orange Belt Veterinary Association:
